Mr. G. S. Monley.
Newark Eagles Baseball Club.

July 28, 1939

Dear Mr Monley.

Mr Conway President of Partridge Co. is
very anxious to know something about the Clark
situation as they are holding a directors meeting
at the present time and he naturally wants to give
the directors some word on this subject.

Will you be so kind as to advise me just
what action your League has taken to date so
I may advise him at once.

Sincerely thanking you.

Very truly yours.

Bert. Roe.

Can work with you on the basis you desired. Send me your requirements and I will see to it you receive prompt shipments.

I have also had talk with Mr. Noble Frank Sports Editor of Harrisburg Telegraph. about his Whitting's concerning your team in Palmyra w Harrisburg. He says he can handle it and will be pleased to have you visit with him if you are successful in leasing the Park, so as to outline what you have in mind.

He won't make a stipulated amount as a charge for these items as you well know is not just the thing but presumably I know he will expect a small amount to make it interesting and worth his while. I know you both understand this angle of Sport Writing.

Hoping I can be of more service to you
with kindest regards
Sincerely B. H. Rose.
